## Invitation Letter

August, 2011

Dear **Mr. H. Nagano**,

Please let this letter serve as a formal invitation for you to attend and give a speech at NACE CORROSION SHANGHAI 2011 Conference & Expo, which will be held October 12 - 14, 2011 at the Shanghai Everbright Convention & Exhibition Center, Shanghai, China. I hope that you will find the technical program, committee meetings, and the exhibits to be of ample interest for you to attend.

NACE CORROSION SHANGHAI annual conference is a large-scale conference of its kind dedicated to the science and technology of corrosion worldwide. This year's conference will have over 400 attendees, more than 60 technical presentations, and an exhibition with over 50 exhibiting companies.

I look forward in welcoming you to Shanghai. Your support and attendance is highly appreciated.

Looking forward to hearing from you soon!

Respectfully,

A handwritten signature in black ink that reads "Liu Guo".
